## Yesteryear Memories

We played hide and seek, running around the park.  
And a game called "British Bulldogs", it was a lark.  
Our parents could not get us in, how we loved to play.  
There just never seemed to be enough hours in the day.

I despair at the internet, technology at a cost.  
Children glued to ipods, a proper childhood lost.  
I can imagine in the future, there's a point our kids will reach.  
All contact will be online, they'll have lost the power of speech.
